- c. To drop in, call for availability. We do NOT recommend dropping in due to SMALL class sizes.
- d. Reservations for pool classes, Open Swim, and sauna sessions must be paid for prior to use or delivery.
- e. Sauna reservations are for one hour, and for one person. Each person pays separately if more than one person is using it. Drop-ins need to call us a minimum of one hour beforehand if you want it pre-heated.

- l. If a reservation is canceled by Paradise you will receive a credit to take another class at a later date.
- m. If we are forced to close Paradise, all memberships will be suspended for the duration of the closure.

**Common Sense:**

- If you are sick or anyone in your household is sick STAY HOME.
- Shower before entering the pool.
- Open Swim participants enter at the front desk. You must sign in at the front desk every time.
- If you want to use Gym Equipment please ask us at the front desk when you arrive. DO NOT DO IT YOURSELF.
- 15-minute transition times MUST be observed. Open Swim -- do not enter pool sanctuary until our time listed on the Therapy Pool Schedule. (This 15-minute period is needed to move people & equipment after class.)
- Bring your own towel, non-glass water bottle, footwear, etc. We don't have lockers, so we suggest you bring your beach bag to hold stuff.
- There is NO lifeguard on duty. We highly recommend using the facilities with a buddy.

**FYI: Confirmation texts/emails will be sent automatically by our booking software. If you reply STOP, you will not get them anymore. HOWEVER, (this is VERY IMPORTANT) if you STOP the wellness texts and emails you will also stop the salon & spa confirmations. Contact the front desk to reactivate confirmation text/emails.**
